

Terms of service - <https://harshranjan0522.github.io/me/>

- We do accept only UPI and Bank transfer (Phonepe, PayPal, Gpay, fampay).
- We would require your name, mail, phone number, address (not exact but just the city and state) just for the testimonials purpose.
- We are a small team so don't worry about your project being delayed or stolen as we would never charge you a single penny as advance payment.
- Once the project is complete by our end, we will send you a screen recording of the same. And once your payment is received we will hand you over the project that we built with love and passion.
- For all the plans, your plan only starts when you provide us full details and we completely understand your idea and requirements even if the plan was bought by you yesterday and till today the idea is not clear, don't worry we got your back, we won't start the timer for the plan (per hour) unless and until each and every thing is clear to both the parties and if the project took 1.5 hr then it would be considered as 1 hr and if it took more than 1.5 hrs then it would be considered as 2 hr work.
